WOMEN'S CLUB – 2024 OVERVIEW

The Breckenridge Women's Club is an organization that allows golfers to play in a competitive and fun environment. The Club events are held on Tuesdays, from June 4th through September 10th.

- The Women's Club schedule is comprised of different events including individual, two person, and four person team events. The goal each year is to create a competitive, equitable, and enjoyable club. Each year we add/delete events to keep the schedule fresh. **Tee time requests will be accepted one week in advance. Requests can be made for time periods between; 8:30-10, or 10-11. The golf operations staff will conduct a lottery and issue tee times on the Saturday prior to the next event. You may or may not be assigned a tee time within your requested block based on demand and past tee time allocation. You may sign up for the weekly event through Sunday night, although you are not guaranteed a spot.**
- Ladies Club members are able to choose their teams and pairings to allow players to play with friends. If you are a member that does not have a team or a group to play with, our staff will help you find a good pairing. We hope all members will be open to playing with new players throughout the year. Staff will set up pairings for Club Championship and certain events TBD.

Sincerely,

The Breckenridge Golf Club Staff

SEASON LONG DOUBLES MATCH PLAY TOURNAMENT

In 2024 Breckenridge Golf Club is proud to continue a new twist on an old format. This season instead of hosting an individual match play tournament for our Women's League we will be introducing a doubles Match Play format. This tournament will consist of between 8-16 teams of two. This will give you the opportunity to experience a Match Play format, but in a more relaxed and friendly setting. Players can choose their teammate, or golf shop staff can help assist you in finding a partner. Matches will still need to be set up/played on your own time. Match Play matches will not be played during normal Women's League days. We hope to get more players involved, while keeping it fun, friendly, and stress free.

- Entry Deadline:** JUNE 11TH
- Entry Fee:** \$30 per team
- Prizes:** Shop Credit to 1st and 2nd
(Based on 16 teams - \$150/person and \$100/person)
- Format:** Match Play at 100% home course handicap, single elimination. Each match must be completed within the prescribed time frame.

2 person teams counting one best net ball for team score.

Any matches that are not completed will be decided by a coin flip!!!

The final match must be completed no later than September 10th.

Rules: USGA match play rules will be in effect. The following local rules will apply:

- **All matches must be played from the red tees.**
- Players may play a nine-hole match if both parties agree.
- Matches must use the most current handicap available for each player.
- Handicaps will be based off low players handicap.

PLAYER OF THE YEAR

- During most events this season, prize money in the form of pro shop credit will be awarded according to your finish position during each week's event. Money will accumulate throughout the season with the player of the year award going to the player who accumulates the most money during the season. The money total should represent the player who played consistently well and who played in the majority of the events during the season. Prize money is always in the form of pro shop merchandise credit.
- A reminder that all pro shop credit must be used in the current season. Shop credit will no longer carry over year to year.
